	2 Under the rules all the applications for foreign schs. were received by the D.I. of Edn. and referred by him to the Committee appointed for selecting the candidates. The schs. recently awarded were sanctioned on the recommendations of the D.I. based on the opinion of the Committee.
	3 From the list of applicants submd. by the D.I. it is not clear whether all the candidates to whom foreign schs. have been given have furnished the necessary declarations. In some cases including the case of Mr. Sampat Kumaran, the Column is left blank.
	4 Submd. for orders.
	D.I. 2.6.15 Mr. Sampat Kumaran has been offered one of the loan scholarships.
	6 In the petn Mr S's father states that S has no resources other than the Scholarship in that case it is doubtful if he can find sureties for the loan.
	7 The rules require each candidate

to furnish a declaration that he has the consent of the head of his family to go to Europe or elsewhere. In this certain other cases such declarations have not been furnished. We may perhaps ask the Dy to require this condition to be satisfied before awarding the scholarship. Mr S will then settle the question with his father

8 In the case of grown up people who apparently know what they are about it is doubtful if it is necessary to insist on such a declaration.

9 The petn may be forwarded to the Dy of Edn.

22 The petr in this Case (Mr. Sampathkumaran's father) saw me this morning about his representation. He did not seem to have received the endorsement of order passed on his petition. I now see that though I directed on 3.7.15 that the father should be informed that Govt cannot interfere, the order has been (apparently) issued to him only today. I should like to have an explanation of this delay.

23 From the representations made to me, it looks as though the father had been very unfairly treated in this matter & to have been the victim of some sharp practice on the part of the Son.

SIR,

With reference to your No.5274/Edn.2-14-175 dated 9th June 1915 forwarding for report a petition from Mr. Mandyam Alwar Tirumalaiyengar of Melkote requesting that the foreign scholarship granted to his son Mr. M.A. Sampathkumaran may be cancelled, I have the honour to state that I had a talk with Mr. Sampathkumaran yesterday, but he is not willing to alter his mind. He takes his stand on his being a major and his right to regulate his future irrespective of his father's wishes. His father who also saw me is however extremely depressed at the prospect of his son's departure to a foreign country and would regard it as a real kindness if the scholarship is withdrawn by Government. I do not think that in this matter once the scholarship has been given, it can be withdrawn without adequate reasons.

2. The petition received with your letter is returned herewith.

SIR,

With reference to your letter No.1335/Edn.2-14-198 dated 15th September 1915, in the matter of the insufficiency of the security furnished by Mr. M.A. Sampathkumaran, a loan scholar, I have the honour to state that but for his father's aversion to foreign travel, matters would have been smooth. From enquiries made by me I am satisfied that except in the extreme case of Mr. Sampathkumaran dying before he returns to this country, the money advanced and to be advanced to him by Government will be repaid. For the past three years every effort has been made to obtain a competent Professor of Botany for the Central College, but without success; and Mr. Sampathkumaran, if circumstances had permitted, should have been given a State or a Damodar Doss scholarship and not a Loan scholarship. At present, however, if Government are not satisfied that there is sufficient assurance for the recovery of the money advanced and to be advanced to him, I beg to state that the only alternative is to recall him and to express regret for any mistake that may have been made by me.
